

**Golden Concierge** are offering accommodation and travel booking services for all candidates attending training arranged by Physio UK for anywhere within the UK.

We offer three types of bookings that you can select from. All options allow for accommodation and travel to be arranged for you for the dates you require and to the standard you specify. The difference between the given options is based on how tailored you would like your booking should you require anything extra than the basic booking of the most appropriate accommodation and travel (trains, planes, directions by car, hire cars, hotels) at the most appropriate price. All this is offered in the Quick Bookings option, allowing you the convenience of a one stop shop for the booking of all of the mentioned with the additional service of delay/problem handling.

## **Quick Bookings**

If you know the area you are going to and simply want a hotel / travel booking within a specific budget. With this, you may have up to two specific requirements\* that can be handled with the booking.

## **Tailored Bookings**

If you are not very familiar with the area and would like to know more detail, such as the distance of available hotels to the training venue, parking and other related facilities, select this option. You may also have up to six specific requirements\* that can be handled with this booking.

## **Tailored Bookings and More.**

If you would like to add more to the trip, perhaps turn it into a mini holiday or a long weekend for the visit with a guest or family, have entertainment arranged for you, select this option for all your requirements to be handled in one go and one point of contact.

\* Specific Requirements applies to anything related to the booking for the training course you are attending. For example: restaurant booking within the hotel for the evening(s), ensuring the hotel has sports facilities, or specifically a swimming pool, the need for an iron in the room, and other similar requests.

## **Pricing:**

Quick Bookings: £15.00

Tailored Bookings: £20.00

Tailored Booking and More: £30.00
